

A Message from the Principal, Mrs. MacKenzie . . .

Greetings CRCS Community!

Well, it seems to me that it was a long time coming, but I think that Spring is finally here! Hooray! Time for some sun, blue skies, and warmer temperatures!

We look forward to seeing you at our upcoming *Celebration of Learning – May 17 & 18*. We are always so excited to see what the students are really fired up about in terms of their learning. **For some, they will be showcasing something that they have done this year of which they are really proud. For others, this will be an opportunity to do a deeper dive into an area that piques their interest.** We hope that you will be able to spare a few minutes to come and take a look and catch their enthusiasm.

It's the season for FIELD TRIPS! Please be sure to check in with your child's teachers for permission forms, dates, times, etc. We do try and update our website and calendar as much as we are able but we do not necessarily get all the info from all the classes — there are a lot of moving parts in a school as you can imagine. *Please remember that, in order for students to participate in a field trip, they must submit a signed permission form from their parent/guardian.* And thank you to those of you who take time to volunteer on these trips. We appreciate you so much! Anyone interested in being a volunteer or a driver for special events like field trips needs to submit a completed Criminal Records Check and a current Driver's Abstract. Our front office can give you more details if you have questions. Thanks for remembering that our school dress code is still in force on school field trips.

Believe it or not, we are well into preparations for next school year. If you are planning for your child to continue at CRCS but have not yet re-enrolled, please do let our front office know right away. Conversely, if you know that your children will not be continuing at CRCS, we would ask that you let us know as soon as possible, please. We have many people inquiring about our school and, already, many of our classes are at capacity or nearing capacity. Knowing if there are spaces available really does help us. Thank you.

Things are moving briskly but we are not done yet! Have you checked out the most recent [Student Leadership Blog](#) on our website? They always have something great to share with us! As always, thank you for upholding CRCS in your prayers. To loosely paraphrase, 2 Timothy 4:7, let's keep fighting the good fight so that we can finish the race and keep the faith!

I have fought the good fight, I have finished the race, I have kept the faith — 2 Timothy 4:7

In Christ's service,
