Dear Parent/Guardian,

The CRCS student leadership team is hosting a virtual talent show and we welcome your child's short (less than 2mins) video submission. Instructions on how to share unlisted videos via Youtube can be found on the CRCS student leadership blog under the "Connect with Us" tab of the CRCS website.

The final team video compilations will be posted as unlisted on the CRCS Youtube channel, however, the final videos may be viewable by those outside of our school community.

In sensitivity to privacy concerns we are requesting parent consent for kindergarten to grade 5 student submissions to be included with the talent video submission. If you would like to give consent please sign below and return a screenshot or picture of this form to our student leadership team via the form.

I hereby give consent for my child's video submission be posted to the CRCS website and understand it may be viewable by those outside the CRCS community.
